Description	The purpose and activity of the association The purpose of the association is to oversee the public and mutual interest of the practitioners and companies working within the private investigation branch to practice their profession and also to further the cooperation between its members and to improve the common conditions of activity. In implementing its purpose the association follows the development and legislation of the branch and relating to this also makes initiatives and proposal and gives statements. The Association guides and counsels its member concerning matters of practice by arranging meetings, consultations and training and by formalizing necessary reports regarding issues at hand. To support its activity the association can receive donations and testaments, own solid and lose assets necessary for its activity and also arrange lotteries and fundraisings after obtaining designated authorization.
